WEEKLY HOROSCOPE

by Maleena Muzio

Apr. 12 to Apr. 18

Welcome back to the weekly horoscope! This horoscope is based on predictions made by AstroStyle or astrostyle.com. Keep reading to hear what to expect as the week unfolds.

Overview

Many original and large ideas will fill your head this week. It is best to let them culminate because while they could prove successful, there is a chance that acting too impulsively will send things going down in flames. This week is all about making decisions that will continue to push you forward, whether that means cutting things or people out of your life or simply committing to a plan.

Aries

March 21 – April 19

Talk to those around you and take advice from people who live your desires.

Taurus

April 20 – May 20

You don't have to tolerate people or things that no longer serve you.

Gemini

May 21 – June 20

Look inward to your community to find purpose for a certain goal.

Cancer

June 21 – July 22

Set a vision for your long-term path with a six-month (or so) plan.

Leo

July 23 – Aug. 22

Post-poner that trip and clear your vision before taking that journey.

Virgo

Aug. 23 – Sept. 22

Uncover your true feelings and maybe reconsider a close relationship.

Libra

Sept. 23 – Oct. 23

Your natural charm will attract many but be careful and evaluate the character of who is noticing you.

Scorpio

Oct. 24 – Nov. 21

Prioritize your health and wellness but in a fun, non-consuming way.

Sagittarius

Nov. 22 – Dec. 21

Manifest your daydreams into reality; allow yourself to get swept up in them.

Capricorn

Dec. 22 – Jan. 19

Reconcile or rebuild a relationship with a friend.

Aquarius

Jan. 20 – Feb. 18

Adventure can come from familiar places, even your own backyard.

Pisces

Feb. 19 – March 20

Enjoy the little things and life, and experience small moments that will have a lasting impact on your day.

ACROSS

- 1 Mischief-makers
