## *Clean Energy Task Force Looking for New Members*

**North Haven:** Are you concerned about our changing climate? Interested in helping North Haven residents, businesses, and our town government save energy and lower utility bills?

Want to help us to move to a clean energy economy? GREAT! You are just who we've been hoping would join us on the North Haven Clean Energy Task Force because we are looking for more members.

As a town-sponsored task force, we work closely with the town and residents to promote and provide opportunities for energy conservation and clean energy. We have had many successful campaigns, including promoting Home Energy Solutions energy assessments, with 40% of North Haven residents participating. We have also led campaigns to educate residents about home solar options and heat pumps, and connected them with local vendors to install these clean energy technologies so they can realize savings immediately. There is more work to be done!

Even with the clean energy setbacks at the federal level, there are many energy efficiency and clean energy rebates and services available in Connecticut.

To find out more and get involved, please contact Kenny Foscue at kfosc@snet.net or call (203) 589-1512.

# Automotive Corner

**MOTORCYCLES WANTED**

**AMERICAN LUNG ASSOCIATION.** *of Connecticut*

***YOUR CAR CAN SAVE LIVES***

Your boat, truck, RV, or motorcycle could, too. Donate your vehicle to The American Lung Association of New England today by calling 1-877-LUNG or log on to www.donateyourcar.org. Every vehicle can help combat lung disease.

Lung disease is the third leading cause of death in the United States, and the number one killer of babies in the world. The American Lung Association has been your local lung health charity for over a century.

Help drive out lung disease for good! Call 1-877-LUNG now!

The American Lung Association of New England is part of the American Lung Association, the oldest voluntary health organization in the U.S. Established in 1904 to combat tuberculosis, our mission today is to prevent lung disease and promote lung health. The focus is on air quality, asthma, tobacco control, and all lung disease.

For more information, please visit: www.lungne.org.
