Making License Renewals Easier For Vets

Pictured (L-R): Sen. Paul Cicarella (R-North Haven), East Haven American Legion Post 89 Chaplain Wendy Bellmore, Legion member and East Haven Republican Town Committee Chairman Eric Kropiwnicki, Legion member and retired special agent Frank McCarthy, and House Minority Leader Vincent Candelora (R-North Branford) on Jan. 30 met at the Capitol for a public hearing on Sen. Cicarella's proposed bill that would enable Veterans to renew their driver's licenses and identification cards at the annual Veterans Stand Down events, held at multiple locations across the state each September.

"After listening to many Veterans in our district, this option will make license and identification renewals more accessible for Veterans across the state, especially those with limited transportation options. Hundreds of Veterans benefit from the annual Stand Down events, which offer many resources, and adding this component increases their value. We owe it to our Veterans to find ways to make dealing with state government more convenient, and this is a straightforward way to accomplish that. We will continue to support Connecticut's Veterans," the lawmakers said.

A "Yes" Vote on Pension Reform Spurred by Trooper Pelletier Tragic Death

State Senator Paul Cicarella

Senior Deputy Republican Leader Paul Cicarella **(R-North Haven)** has voted in favor of a legislative change that will grant death benefits to the families of state employees killed in the line of duty, regardless of age or years of service.

The legislation is in response to the death of Trooper Aaron Pelletier, who was struck and killed by a pickup truck driven by an unlicensed driver last year while conducting a traffic stop on Interstate 84 East in Southington.

The increased family death benefit would also apply to Connecticut Department of Transportation worker Andrew DiDomenico, who was struck and killed by an impaired driver while on duty in Wallingford last year.

"This legislation is our way of showing law enforcement, other state workers directly in harm's way, and their families that their dedication is deeply valued. I was proud to support this bipartisan amendment to our state law.

"This change will ensure that Trooper Pelletier's family receives the fullest extent of benefits they are entitled to. My hope would be that we never have to utilize this law, and our state law enforcement and employees safely return home to their families each day. Nonetheless, we must ensure that families of troopers and state workers who lose their lives in the line of duty are fully supported as they deserve," said Senator Cicarella.

Choral Group Invites New Singers

East Haven: We are a group of singers who meet every Thursday at 1:15pm in the Community Room of the East Haven Hagaman Memorial Library. We sing for an hour and a half with a 10 minute break in between.

Our primary purpose is to bring the joy of hearing choral music to the audiences living in nursing homes and rehabilitation centers.

There is no charge and no audition. We provide music to our singers, so that they can have the words in front of them. We sing pleasant songs for fun.

If singing in a chorus interests you, please contact Mike Ryan at Email: mikeryan2011@gmail.com; Phone: (203) 283-5133.

EMERGENCIES ON BOARD: PREPARATION FOR HANDLING COMMON PROBLEMS

New Haven Sail & Power Squadron, part of America's Boating Club, will hold a 2-hour seminar for boaters who need information about emergenies on the water.

No one wants to think about it, but emergencies happen on boats. Be prepared for a variety of boating mishaps, medical emergencies, and other crises! Prevention and preparation make all the difference. This seminar will prepare you to handle common emergencies that can happen when you are on your boat and away from the dock, whether you venture out for the day or are leaving on a longer cruise. You will learn how to deal with them as they occur and especially when the skipper is unable to respond.

Upon completion of this seminar, you will have gained an understanding of the most common types of vessel emergencies and how to deal with them, how to handle onboard fires, how to recognize and prepare for medical emergencies and how to communicate with crew, other boats, and first responders.

Class will be held from 9-11am on Sat., Feb. 22, at Indian Neck Yacht Club, 87 Harding Avenue, Branford.

All students must sign up by Wed., Feb. 19. People can sign up online and charge it to a credit card. The class costs $10 per person.

To register and pay online, use the Zeffy link that follows. https://www.zeffy.com/ticketing/emergencies-on-the-water. There is no processing fee. Or, contact Squadron Education Officer Peter DePascale at (203) 671-2420 and leave a message, or email him at bathworksinc@gmail.com.
