North Haven's Music Under The Stars 2025

Tuesday, June 3rd - "Rhythm City"
Tuesday, June 10th - "Heavy Hitters"

North Haven: Music Under the Stars 2025 continues tonight at 7pm on the Town Green with entertainment by "Rhythm City Band". Next **Tuesday, June 10th**, the show will be **"Heavy Hitters"**.

So bring your lawnchairs, blankets, and kids and enjoy a great night out watching an exciting concert on the Green! North Haven High School will be the raindate alternate location. For cancellation information, call 203-234-2535.

Tuesday, June 10 "Heavy Hitters": Started as a way for some well known musicians from the CT music scene - who had crossed paths between the various projects they were involved in – to share their love of music together and create an opportunity to play with other fantastic musicians on the scene by starting the Heavy Hitters Open Mic. After doing this for a few years and becoming musically bonded. It was realized that their collective 150+ years of experience left them with 100's of songs to be able to just call out and play and play them really well (unrehearsed) to which ultimately led them to ask themselves "Why aren't we taking this on the road?" And that's exactly what they did!

Wallingford Garden Club May Meeting Featured Carnivorous Plants With Bill Matthews

Pictured Top: Bill Matthew with WGC group.

Wallingford Garden Club held the May meeting with guest speaker Bill Matthews who introduced the group to his many carnivorous plants. He showcased the Venus Flytrap and how they capture insects as well as the American Pitcher Plant that is native to the US East Coast. His favorite sticky plants consisted of Sundews with sticky droplets on their leaves and Butterworts with sticky leaves covered in hairs. The many varied carnivorous plants were on display and labeled for identification. He presented a wonderful and interesting program to the Garden Club members.
