WEEKLY HOROSCOPE

by Maleena Muzio

April 12 to April 18

Welcome back to the weekly horoscope! This horoscope is based on predictions made by AstroStyle or astrostyle.com. Keep reading to hear what to expect as the week unfolds.

Overview

Many original and large ideas will fill your head this week. It is best to let them culminate because while they could prove successful, there is a chance that acting too impulsively will send things going down in flames. This week is all about making decisions that will continue to push you forward, whether that means cutting things or people out of your life or simply committing to a plan.
