North Haven Garden Club participated in The North Haven Conservation Commissions Earth Day 2026 celebration on Saturday April 18th at the North Haven Parks and Recreation Center. Members of the North Haven Garden Club had posters on pollination and the Pollinator Pathway Project with a large map and highlighted all the clubs gardens, the towns gardens and many other gardens that requested to be part of the project. Posters of the "nip problem" and "balloon release" were also highlighted and were loaded with information. The club sold its framed photo cards of members gardens, and at a discount the leftover birdseed wreaths and ornaments. The Junior Garden Club and a table highlight all their activities. The Junior Garden Club was started in 2019 and is going strong. We meet Saturdays at the Faith United Methodist Church on Clintonville Rd. If you would like any information on the Junior Garden Club please contact nhcg.jgc@gmail.com.

Special appearances by First Selectman Mike Freda, while State Representative Dave Yaccarino and State Senator Dave Cicarella took a photo with member Cindy Golia, they enjoyed the celebration. North Haven Garden Club members who participated were Lee Fermo, Katie Fritzel, Gerri Giordano, Cindy Golia, Marge Quinn, Cindy Adinolfi, Noreen Adley, Cristie Amato, Italia Avitabile, Angela Buzzelli, Gail Chillemi, Karen Gallagher, Linda Lianos, Pete Stevenson, Deb Trapani and Maria Yankura.

Don't forget to check out The North Haven Garden Club on Facebook for lots of useful and entertaining information and pictures of all our club does in our great town of North Haven! For membership information please email Italia at italia_a@comcast.net.

North Haven Garden Club is a member of The Federated Garden Clubs of Connecticut Inc., New England Garden Clubs Inc., and The National Garden Clubs Inc.
