Live Stand-Up Talents Make A Comedy Night Success

Pictured: Comedian Jon Fisch at the April Comedy Night sponsored by NHEF.

North Haven: The Hamden Knights of Columbus Hall was the fun house for an April Comedy Night that drew more than 165 people, one of the largest crowds ever for the bi-annual fundraiser sponsored by the non-profit North Haven Education Foundation.

More than \$11,000 was raised to support special school projects benefiting North Haven teachers and students and there were laughs all around for emcee Howie Mason and headliners Jon Fisch and Mike Hanley.

The audience included sponsored tables of eight purchased by Arnold's Jewelers, Carol's Creations, Silk 'N Sounds, the North Haven Rotary, both Democratic and Republican town committees, DJs Cards & Comics, realtor Anna Buono, and the Pellegrino Law Firm.

Watch for details on the Foundation's Music Bingo event in the Fall 2026 and a Trivia Night in Spring 2027. The next Comedy Night is planned for Spring 2028.

Confucius Life Changing Quotes 551-479 BCE

Confucius, a Chinese philosopher, was born back in 551 BCE, in the Zhou Dynasty. His many life tributes ring true with us today and will ring true in the future.

- Choose a job that you love and you will never have to work a day in your life.
- Act with kindness but do not expect gratitude.
- The superior man is modest in his speech, but exceeds in his actions.
- Silence is a true force that never betrays.
- If you hate, you have been defeated.
- Tell me and I will forget, show me and I will remember, involve me and I will understand.
- Everything has beauty but not everyone will see it.
- Your life is what your thoughts make it.
- When anger rises, think of the consequences.
- Respect yourself and others will respect you.

History is Happening in North Haven Free Outdoor Screening of Hamilton

Residents are invited to gather for a special community celebration of America's 250th anniversary with a free outdoor screening of Hamilton on the North Haven Town Green.

The event, titled "History Is Happening in North Haven – A Celebration of 250 Years of America," will take place on Thursday, July 2, 2026, with the program beginning at 6:00 p.m. The event is free and open to the public, and attendees are encouraged to bring blankets or lawn chairs for seating. The event will be held rain or shine.

Presented by the North Haven Democratic Town Committee, the evening is designed to bring residents together through music, storytelling, and shared community experience. The screening of Hamilton, the acclaimed musical that reimagines the founding of the United States through a modern lens, offers a unique opportunity to reflect on the nation's history in an engaging and accessible way.

"This event is about bringing people together," said Genevieve Cabrera, organizer of the event. "As we approach America's 250th anniversary, we wanted to create something that feels welcoming, inclusive, and rooted in community. Hamilton is a powerful story about who we are and how we got here, and we're excited to share that experience with North Haven."

The event will begin with light pre-show programming before the feature presentation. Families, students, and residents of all ages are encouraged to attend.

Organizers hope the event will serve as both a celebration and a starting point for broader community engagement, creating a space where residents can connect and reflect together.
