How to Protect Your Car from Car Theft

By B.L. -- A long-term resident of North Haven, CT with 58 years of community experience

One of the most effective safety devices at your disposal is your "Key Alarm." If you find yourself in a parking lot and witness someone attempting to break into your vehicle, it's crucial to prioritize your safety: call 911 immediately, activate your Key Alarm, and continue walking to a safe location while remaining on the line with authorities.

Similarly, if you notice someone tampering with or trying to steal your car in your driveway, do not confront the individual. Instead, activate your Key Alarm and contact 911 right away.

In addition to personal safety devices, consider investing in modern security solutions such as doorbell cameras and floodlights equipped with security cameras and sirens. These systems can provide valuable protection for your property.

For me, the Key Alarm is my go-to safety measure -- it's always within reach and comes at no additional cost. Prioritizing personal safety and property protection is essential in today's environment.

YOUR CAR CAN SAVE LIVES

Your boat, truck, RV, or motorcycle could, too. Donate your vehicle to The American Lung Association of New England today by calling 1-877-LUNG or log on to www.donateyourcar.org. Every vehicle can help combat lung disease.

Lung disease is the third leading cause of death in the United States, and the number one killer of babies in the world. The American Lung Association has been your local lung health charity for over a century.

Help drive out lung disease for good! Call 1-877-LUNG now!

The American Lung Association of New England is part of the American Lung Association, the oldest voluntary health organization in the U.S. Established in 1904 to combat tuberculosis, our

mission today is to prevent lung disease and promote lung health. The focus is on air quality, asthma, tobacco control, and all lung disease.

Attention: Parents / Guardian / Educator / Agency Worker

I am a retired New York City high school guidance counselor. With the help of students and adults, I have developed and facilitated a program known as the "Anger Management Power (A.M.P.) Program." I am the author of the book entitled, *Peace the Other Side of Anger* (2011), based on this program for parents/guardians and professionals helping youngsters handle anger in positive ways.

I'm in the process of revising this book by adding additional chapters on the pandemic, gun violence, and social media -- all of which had not existed or have the impact they have today. I value the opinion of teenagers, and find their perceptions can be helpful. I have created three surveys on these subjects to be completed by teens.

No names of participants will be used. The only identifying information will be participants' gender, age and grade.

You can access these surveys on the link and/or QR Code shown. If acceptable to you, have your teen(s) complete and submit using the same link and/or QR Code.

New Haven Sail & Power Squadron

EMERGENCIES ON BOARD: PREPARATION FOR HANDLING COMMON PROBLEMS

New Haven Sail & Power Squadron, part of America's Boating Club, will hold a 2-hour seminar for boaters who need information about emergencies on the water.

No one wants to think about it, but emergencies happen on boats. Be prepared for a variety of boating mishaps, medical emergencies, and other crises! Prevention and preparation make all the difference. This seminar will prepare you to handle common emergencies that can happen when you are on your boat and away from the dock, whether you venture out for the day or are leaving on a longer cruise. You will learn how to deal with them as they occur and especially when the skipper is unable to respond.

Upon completion of this seminar, you will have gained an understanding of the most common types of vessel emergencies and how to deal with them, how to handle onboard fires, how to recognize and prepare for medical emergencies and how to communicate with crew, other boats, and first responders.

Class will be held from 9-11am on Sat., Feb. 22, at Indian Neck Yacht Club, 87 Harding Avenue, Branford.

All students must sign up by Wed., Feb. 19. People can sign up online and charge it to a credit card. The class costs \$10 per person.

To register and pay online, use the Zeffy link that follows: <https://www.zeffy.com/ticketing/emergencies-on-the-water>. There is no processing fee. Or, contact Squadron Education Officer Peter DePascale at (203) 671-2420 and leave a message, or email him at bathworksinc@gmail.com.

New Haven Sail & Power Squadron (NHSPS), is a 501(c)(3) non-profit educational organization dedicated to making boating safer and more enjoyable by teaching classes in boat handling, navigation, and related subjects. For information on NHSPS, go to: www.nhsps.org.
