Junior Gardeners Early Fall Harvest At 'Garden Of Eatin'

Pictured Top: Club members Ms. Marge, Ms. Lee, Mom Julie, Ms. Cindy, Ms. Mini, missing form photo Dad Tim. Kids James, Logan and Mackenzie. **Bottom:** we're all enjoying the watermelon!!!!

North Haven: On Saturday September 21st members of the North Haven Garden Club and Junior Gardeners gathered at Faith United Methodist Church 'Garden of Eatin ' to do what might be our last large harvest. The gardens are slowing down the production of fresh veggies. But the pumpkin vines and a few squash plants are producing huge flowers and the vines are so hardy. We will see what happens!

This week the JGC kids were so excited to harvest the potatoes. We are so happy to see the amount we grew. It was time to pick the watermelon too! We cut one and it wasn't quite ripe enough, but the bigger one was red and juicy and oh so sweet. We ate almost the whole watermelon, just sending home a few pieces.

The seedlings in the back garden are sprouting, club member Ms. Lee watered them well. The parsley is slowing it's production too. The kids picked the rest of the ripe tomatoes, a large bunch of string beans, eggplant, butternut squash and yellow squash. String bean plants are still flowering so we will continue to check them.

Next week might be our last gathering for the season. We will assess the gardens at that time.

All in all we feel it was a great growing experience for the kids as well as members of the North Haven Garden Club. Make sure to check out our Facebook page for the rest of the photos form the potato harvest!

Don't forget to check out The North Haven Garden Club on Facebook for lots of useful and entertaining information and pictures of all our club does in our great town of North Haven! For membership information please email Italia at italia_a@comcast.net.
