Giving Thanks for Our Community

To The Editor: November 21, 2024

As the days get shorter and the temperatures outside begin to drop, so must the temperature of our political landscape.

North Haven is a special place because of its people and in this season, let us remember to be thankful for our neighbors.

Our neighbors are firefighters, teachers, police officers, nurses, postal carriers, military veterans, and make up our local CERT. Our neighbors are parents, grandparents, and siblings. Our neighbors are the foundation of our community. Our neighbors are North Haven.

I am thankful for the sacrifices of our service and public safety workers who protect North Haven and continue to make it such a special place to live and represent. I am thankful for the support that each of you has given me to continue serving as your voice at the State Capitol.

As the new year nears, so will a new legislative term in Hartford. Your concerns are essential to driving my priorities as a legislator. I am fully committed to putting North Haven first always and I am proud of what we have accomplished together.

I hope that you will enjoy a safe, happy, and healthy Thanksgiving with your friends, families, and loved ones. If you see a neighbor, thank them.

Dave Yaccarino
State Representative, North Haven
