"Be a Believer"

'Twas the night before Christmas and all through the house, not a creature was stirring, not even a believer.

Christmas, just around the corner, is a holiday entailing the exchange of gifts and getting together with family. But we must realize that these traditions, although great, we must not lose the true meaning of this day, which is the celebration of the birth of Jesus.

It is not all about the glitter, shopping, eating, and having time off from school or work, but to contemplate and celebrate the birth of Jesus Christ.

Let's all have fun and enjoy the Christmas Holiday and at the same time appreciate what this special holiday means.

I'd like to wish everyone a Merry Christmas and Happy New Year.

Ron Johnson, Hamden

Smoky Mountain Christmas Show

North Haven: The North Haven Senior Center hit the road recently for festive luncheon inspired by Kenny & Dolly's Smoky Mountain Christmas. The room at Aqua Turf was filled with holiday decorations, toe-tapping tunes, plenty of laughter, and a whole lot of good company. It was the perfect way to kick off the holidays and get everyone into the Christmas spirit. The Senior Center has a great lineup of trips planned for the next year, so stay tuned!
