Girl Scout Troop 60071 Of North Haven Excited Selling Girl Scout Cookies

Pictured: North Haven girl scouts of troop 60071.

North Haven: On Sunday March 29th, members of the North Haven girl scout troop 60071 have 11 members of 3rd and 4th graders in their troop since 2021, who were so excited when people were buying the cookies. They all took turns helping sell the cookies to anyone who came to their table set up. They greeted everyone with a smile and had great customer service techniques. It is so great to see our young children doing something so good at a young age, it will give them character for many years to come. Girls you did a great job, God Bless all of you.
